RULES	Open to all adult amateurs and junior riders (professionals are not eligible). Riders will ride the specified dressage test for their level and a Dressage Equitation class. Your percentage scores will be converted to points – i.e. a score of 63.333 % will equal 63.333 points. Points earned from the bonus question will be added to the scores, no points will be taken away for wrong answers. These two rides will be in addition to any classes regularly ridden.
BONUS ?	Bonus questions will be different for each level. Sample questions – “What does a judge look for in a rider’s posture?” “Please name the parts of the bridle.” “What does it mean to ‘engage’ the hindquarters?” Answers will be awarded a score of 0 – 10 points. Wrong answers will not be counted against you.
