

Muscle Movement/Dressage Lesson Symposium
with
Karin Bielefeld
Willow Tree Equestrian Center
61087 34th Ave.
Bangor, MI.49013

Sunday, March 28th, 2010 starting 9:00 am.

The lessons will last 45 min. with 15 minute question and answer period for auditors. There will be a large variety of topics that will be covered, such as developing horses muscularly, the effect of the rider's core at different levels. There will also be a demonstration on ground techniques that can be used to help support and check your horse's symmetrical muscular development, along with a saddle fitting demonstration.
