Sarah started riding at an early age. She first started showing in the Hunter Division at age 10, dressage at 12 and her first Jr. jumper class at age 13. She finished her Jr. years having shown horses both in H/J's and dressage in the U.S. and Canada. In dressage, she had trained and shown 2 horses through fourth level and one through Prix St. George. These horses were shown over fences at the same time.

After graduating from Albion College, Sarah went through judges training achieving her USEF "r" in 1977. At the same time, she was included in the USET Developing Rider Clinics with USET Coaches Bengt Lundquist and Melle Van Bruggan. With the help of these two coaches she was able to train her first horse up to Grand Prix. Sarah continued her judging education and earned her USEF "S" (Senior) rating in 1985. In 1988, Sarah began training full time.

Since college, Sarah has personally trained 7 horses from Training through FEI levels. She has helped many riders achieve this as well. She has had students win Regional Championships and Horse of the Year Awards. She has helped riders earn their Bronze, Silver and Gold Rider's Medals, working with juniors, adult amateurs and trainers alike. She continues her education by working with Jochen Hippenstiel of Tempel Farms, Tom Dvorik who was on the PanAm team for Canada, Linda Zang (USA's Olympic level judge) and Stephan Clark (Olympic judge for Great Britain) with her FEI horse, Rainier.

Sarah is available at Thousand Oaks Farm in Kalamazoo. She can be reached at (248)752-2602
